

Personal Donation Form

Your gift can help change a child's life today! 100% of all donations to kidsSTRONG advance integrated family centered care services for children affected by cancer.

DID YOU KNOW?

Cancer is the #1 killer of America's kids. Each year, more children die from cancer than Cystic Fibrosis, Muscular Dystrophy, Asthma and AIDS combined!

At kidsSTRONG, our mission is to improve the lives of children touched by cancer and their families, by enhancing their emotional, social and medical well-being. Helping 5,000 families starts with the generosity of one person... **You.**

Every day, over 100,000 children are faced with cancer survivorship

in the US alone. Your support inspires hope and empowers children and their families to face cancer diagnosis, treatment and survivorship on their terms.

Today, widespread support for childhood cancer is fragmented and uneven. There is no one organization really focusing on impacting and improving the childhood cancer survivor experience. kidsSTRONG seeks to end the isolation, stop the hopelessness and improve the outcomes, by addressing the vast support disparities across the child/family cancer experience.

YOUR SINGLE DONATION OF:

\$50 provides nutrition support to two families in the hospital for a day.

\$100 provides transportation for a child to get to treatments for two weeks.

\$250 provides a child with one-on-one direct support through our kidsSTRONG Counseling Care program.

\$500 provides a child or teen in isolation with technology to safely maintain connections with friends and family.

\$1,000 helps grant the wish of child with incurable cancer.
